DISCLOSURES

SAGE Private Wealth Group, LLC (“SAGE”), SAGE Tax Advisory, SAGE White Label Services, SAGE Advice Group Enterprise, LLC, and SAGE PWG Foundation (collectively, “SAGE”, “we”, or “us”) appreciates your interest in our services. This website contains general information about SAGE, its businesses and its services and is directed at clients considering products and services of SAGE.

SAGE may only transact business in those states in which it is registered, or qualifies for an exemption or exclusion from registration requirements. SAGE’s web site is limited to the dissemination of general information pertaining to its advisory services, together with access to additional investment-related information, publications, and links.

Information presented is believed to be current. It should not be viewed as personalized investment advice. All expressions of opinion reflect the judgment of the authors on the date of publication and may change in response to market conditions. You should consult with a professional advisor before implementing any strategies discussed. Content should not be viewed as an offer to buy or sell any of the securities mentioned or as legal or tax advice. You should always consult an attorney or tax professional regarding your specific legal or tax situation.

Hyperlinks on this website are provided as a convenience. We cannot be held responsible for information, services or products found on websites linked to ours.

Different types of investments involve higher and lower levels of risk. There is no guarantee that a specific investment or strategy will be suitable or profitable for an investor’s portfolio. There are no assurances that a portfolio will match or exceed any particular benchmark.

All investments and strategies have the potential for profit or loss. Different types of investments involve higher and lower levels of risk. There is no guarantee that a specific investment or strategy will be suitable or profitable for an investor’s portfolio. Historical performance returns for investment indexes and/or categories, usually do not deduct transaction and/or custodial charges or an advisory fee, which would decrease historical performance results. There are no assurances that a portfolio will match or exceed any particular benchmark. Insurance product guarantees are subject to the claims-paying ability of the issuing company and are not FDIC insured.
